### Basic Life and AD&D

The state provides \$12,000 of Basic Life and Accidental Death and Dismemberment (AD&D) coverage at no cost to you. Although coverage is automatic, you must complete and sign the enrollment/change form to designate a beneficiary(ies). Submit the form directly to your agency payroll or personnel administrator.

### Employee/Spouse Optional Life and AD&D Coverage

You may apply for up to \$300,000 of Optional Life and AD&D coverage for yourself in \$10,000 increments. In the event of accidental death, your beneficiaries will receive twice the face amount. If you apply for Optional Life and AD&D for yourself, you may also apply for up to half of the face amount issued to you for your spouse, in \$10,000 increments. Your coverage must be approved for your spouse coverage to be approved.

Premiums are based upon the age of each insured. The State's Optional Life plan is not part of the Salary Reduction Plan. Premiums contributions do not reduce your taxable income and do not affect your PERA benefits. The death benefits are not taxable as income.

To enroll, change coverage amount, or change your beneficiary designation, you must complete the enrollment/change form. You must also complete a Medical History Statement for each adult applicant. Unlike the enrollment/change form, which is submitted to your payroll/personnel administrator, the Medical History Statement should be mailed directly to Standard Insurance Company at

Standard Insurance Company  
Medical Underwriting  
900 SW Fifth Avenue  
Portland, OR 97204-1282

If approved, coverage will be effective on the first of the month following approval, subject to the Active at Work provisions of the policy.

### Dependent Children Optional Life and AD&D

If you apply for Optional Life and AD&D you may also apply for up to \$10,000 Children Optional Life and AD&D coverage in \$5,000 increments, not to exceed half of the amount issued to you. One monthly premium covers all of your eligible children, including full-time students up to age 24 and disabled dependent children. You may apply for Dependent Children Life and AD&D within 31 days after your initial eligibility, during open enrollment, or within 31 days after a Life Change Event (marriage, birth or adoption).

### Guaranteed Issue

\*Evidence of Insurability is not required under the following circumstances:

- 1) You are enrolled in the Basic Life / AD&D Plan only.

- 2) You are applying for no more than \$60,000 for yourself and \$30,000 for your spouse within 31 days after your initial eligibility (i.e., date of hire).
- 3) You are applying for no more than \$60,000 for yourself and \$30,000 for your spouse within 31 days after a Life Change Event (marriage, birth, or adoption)
- 4) You have Optional Life coverage for yourself already and you are applying for Children's coverage only.

When Guaranteed Issue applies, coverage will be effective on the date of hire, or date of marriage, birth or adoption, subject to the Active at Work provisions of the policy. Premiums will be payable from the first of the month following your date of hire or Life Change Event, providing your application is timely.

### **Double Coverage is not Allowed**

If your spouse is also a state employee, you may elect to be covered as an employee or as a spouse, but not both. Only one of you may apply for coverage for your children. If you are divorced and your former spouse is also a state employee, both of you may elect Optional Dependent Life and AD&D for your children.

### **Certificate of Coverage**

The Certificate of Coverage, which encompasses both Basic and Optional Life plans is available on the Benefits website. New enrollees will receive a hard copy of the Certificate of Coverage by mail.

### **Beneficiary Designations**

If your insured spouse or child dies, the life insurance benefits will be payable to you, if you are living. If you are not living, the benefits will be paid to the survivors in accordance with the policy provisions.

You may name more than one beneficiary in a class. The beneficiary designation applies to both the Basic Life and Optional Life benefits under the policy. If only one beneficiary in a class survives, that beneficiary will receive all of the death benefit. A secondary (contingent) beneficiary receives benefits **ONLY** if there are no surviving primary beneficiaries.

See the Benefit Payment and Beneficiary Provisions in the Certificate of Coverage for additional information.

### **Active at Work Provisions**

If you are incapable of active work because of sickness, injury or pregnancy on the day before your scheduled effective date, your life insurance coverage will not become effective until the day after you complete one full day of Active Work as an eligible Member. See the Active at Work Provisions in the Certificate of Coverage.

### **Waiver of Premium**

If you are not yet 60 years of age and become totally disabled, your life insurance may be continued without payment of premiums after completion of a 180 consecutive day waiting period. If you are receiving disability benefits from Standard Insurance Company under the State's Short Term Disability or Long Term Disability plans, the waiver of premium benefit will be applied automatically. If you are not receiving disability benefits under the State plan, you must submit an application for waiver of premium benefits. Proof of total disability will be required. See the Waiver of Premium Provisions in the Group Term Life / AD&D Certificate of Coverage for a complete description of the benefit.

An application for portability benefits must be submitted to Standard Insurance Company with the first premium payment within 31 days after termination of employment. Coverage is provided under a separate policy issue to the Standard Insurance Company Group Insurance Trust and will contain provisions that differ from the State's Group Term Life Policy. See the Right to Convert Provisions in the Certificate of Coverage for options and limitations.
